

# RSL Park Frankston

Are you or a family member considering Residential Aged Care? Vasey RSL Care has grown from a long history of care provision to the ex-service community. Our professional and caring staff have many years of experience in the aged care field, combined with a sound knowledge of the special needs of the veteran community.

## RSL Park

Situated at the gateway to the Mornington Peninsula, RSL Park is conveniently located to main shopping areas and local transport services.

Its modern well-equipped buildings, with expansive gardens and parkland, provide a warm, friendly environment that is enjoyed by residents. There are many opportunities to mix and mingle with fellow residents, or enjoy quiet times if preferred.

RSL Park is family friendly and has excellent amenities, including a concert hall, billiard room, communal wide screen TVs, a fully equipped physiotherapy department, gymnasium and doctors' consulting suite.

The facility comprises four main houses, each with a large sitting area for reading, games, watching TV or family functions. There are smaller areas, which can be accessed by family or friends for more private gatherings.

A dementia-specific wing provides the latest in care techniques and aims to enrich the lives of residents by providing a safe, secure and happy environment.

Services are continually reviewed and adapted in order to make a distinctive contribution to the lives of residents. We understand the difficulties facing people when making critical lifestyle decisions associated with choosing a different way of life and provide support throughout this period.
