

Are you or a family member considering Residential Aged Care? Vasey RSL Care has grown from a long history of care provision to the ex-service community. Our professional and caring staff have many years of experience in the aged care field, combined with a sound knowledge of the special needs of the veteran community.

All three facilities are fully accredited and provide Resident Focussed Care, with trained staff on duty 24 hours; meals cooked fresh daily on the premises; comprehensive recreation and therapy programs; linen and laundry services; and access to specialist health professionals, such as physiotherapy and podiatry.
