

# Sir William Hall Hostel Heidelberg

Are you or a family member considering Residential Aged Care? Vasey RSL Care has grown from a long history of care provision to the ex-service community. Our professional and caring staff have many years of experience in the aged care field, combined with a sound knowledge of the special needs of the veteran community.

## Sir William Hall Hostel

Sir William Hall Hostel, a purpose-built 50-bed low care facility, opened in 1997. Native gum trees, which surround the front of the building, give it an appealing facade.

The Hostel comprises five 'houses', which are linked together by walkways. They are secure and provide a more intimate environment. Staff fully support the notion that the facility is the residents' home, with flexible routines and respect for individual choices.

A special feature of this facility is its proximity to Heidelberg Repatriation Hospital, with direct access to the Hospital campus.

Although basic furnishings are provided, residents may bring their own furniture to help them feel more at home. All en-suites are equipped with handrails and other safety features to enable optimal use by residents.

There is an on-site bus and outings take place each week. An active lifestyle program provides social and cultural outlets for residents, based on their personal choices.

Residents and friends meet every two months, which provides an opportunity to meet with other residents, have input into day-to-day matters and keep abreast of the facilities issues.

Sir William Hall is a very friendly, warm place to live and we 'bend over backwards' to ensure that your needs are met.

## Sir William Hall Hostel is fully accredited and offers
