

Advocating for Our Community

Vasey RSL Care has always worked to advocate for veterans and their families and for older Australians.

As our aims and priorities have evolved over the past few years, connecting with all those organisations that support or fund our community members has become a central plank of our strategy.

This is important work.

Vasey RSL Care is the largest provider of veteran accommodation in Australia with nearly 300 affordable housing units and more in the pipeline (see page 6). Our innovative Veteran Empowerment Program at the V Centre – a first for Australia – has just marked its first year of operation.

And of course, our aged care, both residential and home-based, serve all Australians, and are

unique in their understanding and empathy towards the ex-service community.

Ensuring that government (all levels) is aware of the work we do is a vital step in building confidence in our ability to achieve results.

During the 2023-24 financial year, we had over 40 in-person meetings and more than 1000 contacts/engagements with government representatives. This has continued into the current financial year with visits to Canberra and the opportunity to welcome a number of federal and state MPs to our services (see page 3).

Our new initiatives cannot be realised without funding. Advocating for our community is now a core component of our action plan, carried out by our Advocacy and Media Committee, led by our Government Relations Adviser, Heidi Flower.

We were very pleased to welcome Federal Housing and Homelessness Minister, Clare O’Neil MP (kneeling) and Federal Member for Frankston, Jodie Belyea MP (far left), to our Frankston South Ex-Service Accommodation (ESA) site recently.

It was a great opportunity to showcase the vital work being done to support veterans in need of stable housing. Residents Les (front left) and Andrew (middle back) shared their powerful stories of adversity in securing a home, an issue far too many Australian veterans face.

From Our CEO

The V Centre – First Anniversary

A year on from launching the V Centre Veteran Empowerment Program, 31 veterans have been supported with over 4,400 nights of safe accommodation: numerous lives have changed for the better.

Credit goes to everyone who has supported this Program: as well as our own staff, there have been many ex-service and mainstream service partners who have been involved, with expertise and services as well as passion for this Program. It is an honour to work among such a committed group.

We have gained a great deal of knowledge in these first 12 months and we continue to learn. It has not been an easy year: the journey these veterans are on is hard and their issues are complex. I'd like to commend them for their endurance throughout the highs and lows of this roller-coaster journey they are on.

We commissioned EY to carry out an analysis of the business case for this Program which predicts savings to Government of over \$17 million in three years: this is a combination of savings from reductions in unemployment, homelessness services and government-funded housing subsidies, plus increased tax revenue and cost benefits from reduced police/judicial interaction and health care and in-patient services. Every life saved by the V Centre is a tragedy avoided and has innumerable other benefits.

Funding Update

We are delighted to report that our submission for \$4.68 million funding for a Geelong-based Veteran Empowerment Program has been successful! To be located adjacent to the Bell Park ex-service accommodation, the program model will be based on the V Centre Veteran Empowerment Program, offering a supported environment and linking in to the V Centre for oversight and management. We will bring you more details on this once it is under way.

It is also a great pleasure to announce a successful submission for \$1.2 million funding for staff who will provide a range of support services to veterans and their families.

Thank You

We would like to thank the Federal Government Department of Veterans' Affairs (DVA) for awarding both these grants under the Veterans' Acute Housing Program, to support the development of innovative ways to address the changing needs of the veteran community.

We would also like to thank all those individuals and organisations who responded to our call outs, making donations and purchasing our Recipe Book 'Serving History with Love' in support of the V Centre veterans. Your support is sincerely appreciated.

Our advocacy work continues, with our bid for \$11.6 million for three years funding for the V Centre for the 2025-26 budget submitted at the end of January.

Building for the Future: Progress Update

Work has now started on the 20 brand new ex-service accommodation units (Affordable Housing) adjacent to our Bundoora Aged Care Home (see page 6). We will bring you regular updates as this build progresses.

As mentioned in our last issue, plans for an upgrade to our Frankston South residential aged care and ex-service accommodation site are progressing well. This is an important investment for the organisation, upgrading and expanding the ex-service accommodation, adding retirement living and creating an attractive environment and a community space close to Overport Road. More detail will be available soon.

Reminder: New Aged Care Act 1 July

The new Aged Care Act will come into effect on 1 July 2025 and will affect both Home Care and Residential Aged Care. Both teams are preparing for the change and will be keeping in touch with their communities during the changeover. More info: page 5.

Strategic Plan 2025-30

Setting our goals for the next five years is a balancing act between doing as much as we can for this community, while not taking on so much that we let people down. I would like to thank our Board of Directors for the confidence they have put in us to achieve our goals and improve the lives of those in our community. The new Strategic Plan will be available on our website later this month and I look forward to working on these priorities with this dedicated community.

Janna Voloshin
Chief Executive Officer

Meetings with Government Representatives

In October, Upper House Victorian Member, Richard Welch MP and Chris Parr, Federal Liberal candidate for the seat of Jagajaga, accepted an invitation to visit the V Centre and hear about the Veteran Empowerment Program.

In the same month, Board Chair, Mike O'Meara OAM and CEO, Janna Voloshin visited Canberra where meetings included:

- ✿ Karmil Nguyen, Advisor to Federal Housing and Homelessness Minister, Clare O'Neil MP
- ✿ Kahlil Fegan DSC AM, Repatriation Commissioner (pictured), Mark Brewer AM CSC and Bar, Deputy President of the Repatriation Commission and Andrew Kefford, Deputy Secretary Policy & Programs, Federal Department of Veterans' Affairs (DVA)
- ✿ Hon Barnaby Joyce MP, Federal Shadow Minister for Veterans' Affairs
- ✿ Luke Gosling OAM, MP, Federal Special Envoy for Veterans' Affairs

- ✿ Hon Matt Keogh MP, Federal Minister for Veterans' Affairs (pictured)
- ✿ Senator Jacqui Lambie, Senator for Tasmania
- ✿ Hon Michael Sukkar MP, Federal Shadow Minister for Housing

In November, Mike and Janna visited South Australia to meet with Senator Andrew McLachlan MP, Senator for South Australia.

In December, we welcomed Leonie Nowland and Lee Esposito from the DVA's 'Open Arms', veteran and families counselling providers at the V Centre.

In January, we hosted a visit to our Frankston South site with Federal Housing and Homelessness Minister, Clare O'Neil MP and state member for Frankston, Jodie Belyea MP (see front page). We also welcomed Paul Edbrooke MP to talk about our vision for our Frankston South site.

Lastly, in February, we welcomed Ryan Batchelor MP, State Member for the Southern Metropolitan region in the Upper House to Vasey RSL Care Brighton East where he announced a grant of \$30,000 (see page 9).

Senior Staff Moves

In late 2024, we said farewell to Annette Greenwood, General Manager - Quality and Risk (pictured below right with CEO Janna Voloshin).

Annette has provided 15 years of service to Vasey RSL Care: "Annette always put residents and clients first," says CEO, Janna Voloshin

"She has been a committed advocate for their needs and made sure we never forgot our purpose. We wish her a long and very happy retirement and thank her for everything she has done to keep our community safe."

In our Community Care team, we have had a change of management with Richard Davey moving on to new challenges, and we are very pleased to welcome Jannette Fleming as Executive General Manager - Community Services.

Jannette (pictured right) has many years' experience in this area and she and her team will continue to support our Home Care and Veterans' Home Care clients.

At Vasey RSL Care Frankston South, Residential Manager, Brian Searle has moved on to a new role and we have welcomed Sharmain Jansz (pictured right).

Sharmain was previously working as Facility Care Coordinator at our Brighton Aged Care Home and we congratulate her on her new role.

On-site Pharmacists at our Aged Care Homes

We take medication safety seriously. Starting Wednesday 19 February, on-site pharmacists are now working within our four homes. This service is provided at no charge to residents.

The aged care on-site pharmacist is a credentialed pharmacist working within residential aged care homes.

We are very pleased to bring this practice to all of our aged care homes, to ensure medication safety as well as providing medication advice for the benefit of residents and improving medication usage.

The on-site pharmacist brings expertise in medication management and pharmacotherapy: they will collaborate with the multidisciplinary healthcare team, including GPs, on-site nurses, facility staff and other healthcare professionals.

The on-site pharmacist will attend and advise at our Medicines Advisory Committee meetings, and will carry out 'quality use of medicines activities': these include evaluating the use of medication and improving the use of high-risk medicines (such as psychotropics and antimicrobials) by implementing positive changes identified through audits of their use.

These practices are an important part of our continuous improvement process, focusing on achieving the best quality of life for residents.

Be the Voice! Your Voice is Powerful

Calling for members for our Consumer Advisory Bodies and Quality Consumer Advisory Body.

Being part of your Consumer Advisory Bodies helps your voice to be heard. The information you give goes directly to our governing body, the Board, and helps shape the way your care service is run.

Consumer Advisory Bodies can help fix problems and improve care. They give you a way to talk about

care and service quality with others and share this with our organisation's leadership.

Membership is open to residents and to residents' representatives.

Please contact your Residential Manager to express your interest or to find out more.

Thank you Derinya Primary School Students

In December, residents at Vasey RSL Care Frankston South were paid a very special visit by students from Derinya Primary School in Frankston South. In a truly intergenerational concert, 60 students sang Christmas carols and danced for our residents, providing an

experience that was rich in fun, laughter, and joy. It was an experience that left smiles on the faces of our residents and the students who generously provided the performance for them.

New Aged Care Act from 1 July 2025

The new Act is the final 'piece of the puzzle' in the Australian Government's response to the Royal Commission into Aged Care Quality & Safety. We can now get on with the work of creating a new and better way of delivering aged care services that values the safety, dignity and respect of older people.

The new Aged Care Act responds to around 60 recommendations from the Royal Commission, introducing a Statement of Rights for older people, the Support at Home Program, and stronger powers for the regulator, the Aged Care Quality and Safety Commission (ACQSC).

Coming into effect on 1 July this year, the new Act will deliver a range of improvements including a new regulatory model and strengthened Aged Care Quality Standards to ensure older people and their needs are at the centre of the new aged care system.

Older people and their supporters will have a greater say and a more independent voice about the care and services they receive: this includes protections to speak up when they are not satisfied, and better equipping providers to handle complaints effectively.

Newly Strengthened Aged Care Quality Standards

The strengthened Standards come into effect on 1 July and major changes include:

- ★ 7 Standards (down from 8)
- ★ Introduction of a new Standard – Food and Nutrition, Standard 6
- ★ Strong focus on person-centred care and meeting the needs of older people with specific needs
- ★ Delivery of care that is culturally safe, trauma-aware and healing-informed

Australian Government
Aged Care Quality and Safety Commission

Find out more
agedcarequality.gov.au/older-australians

- ★ A focus on supporting and cultivating relationships and social connections

Department of Health and Aged Care (DHAC) recommendations

The DHAC recommends the following:

- ★ Learn more about the new Aged Care Act and what it means for you on the Department of Health and Aged Care's website: <https://www.health.gov.au/our-work/aged-care-act>
- ★ Get involved in the Aged Care Rules consultation: <https://www.health.gov.au/our-work/aged-care-act/consultation>
- ★ Speak to your provider (us) about what they are doing to prepare for the new Aged Care Act.

REMINDER: Food Services Feedback

Our food services provider, Morrison Living (formerly Medirest), offers a simple way for residents and family members to provide feedback on residential aged care food services. Feedback is collated and reports are sent to Residential Managers each month.

The system is available in dining rooms, where Morrison Living staff can assist, or you can simply scan the QR code shown here to access the system.

If a complaint is received via the system, the Morrison Living team is alerted and will look into the situation and provide a response.

We encourage you to use the system to provide any feedback about our food services.

Work Begins on New Bundoora Units

The new Vasey RSL Care Bundoora Ex-Service Accommodation (ESA) development, adjacent to our Bundoora Aged Care Home, is now under way. It will offer 20 units, each with its own lock up garage and a host of environmental features.

Our ESA Team, headed by Amanda Smith, Property Manager - Veteran Services, continues to hear, almost daily, from people who are desperate to find a place to live. Affordable rental housing is scarce and with homelessness rates among the veteran community nearly three times higher than the general community, the problem is acute.

This development will provide 18 one-bedroom units and two two-bedroom units, reflecting the proportions of ex-service accommodation residents living alone.

This is part of Vasey RSL Care's continued goal to expand capacity in both metro and regional areas.

We are working with Costas Constructions to design and build this project.

THE NEW UNITS WILL BE SITUATED ON TOWER AVENUE AND BOADLE ROAD, BUNDOORA, ADJACENT TO OUR AGED CARE HOME, WHICH CAN BE SEE AT THE RIGHT OF THE PHOTO ABOVE.

"I'm incredibly excited that the project is under way," says Chris Gray, Executive General Manager - Veteran Services. "Having an additional 20 brand new, purpose-built homes for our veterans will ease the pressure.

"However, more still needs to be done and we are committed to growing our affordable housing, but we need support. One thing I am keen to do is continue our engagement with all levels of government to ensure the best possible outcomes for veteran housing here in Victoria."

LEFT: VISUAL OF THE NEW UNITS WHICH WILL EACH HAVE ENERGY EFFICIENCY MEASURES INCLUDING SOLAR PANELS AND ENERGY-EFFICIENT HOT WATER PUMPS, DOUBLE GLAZED WINDOWS, FIVE-STAR REVERSE-CYCLE AIR CONDITIONING, LED LIGHTING AND WATER TANKS. EACH UNIT WILL HAVE ITS OWN PRIVATE GARDEN AND LOCK UP GARAGE FITTED WITH ELECTRICAL VEHICLE CHARGE POINT.

Social Morning Teas at Frankston South ESA

Residents at Vasey RSL Care Frankston South Ex-Service Accommodation (ESA) are being treated to a fortnightly morning tea thanks to the Frankston RSL Sub-branch and their volunteers.

Frankston RSL Sub-branch has been a good friend to Vasey RSL Care for many years, supporting our veterans and war widows both in our Aged Care Home and our ESA in a whole variety of ways.

An initiative recently introduced is a regular Morning Tea open to all ESA residents, held alternate Thursdays from 10:30am to 12:00 in the Nuigini Community Hall.

The volunteers from Frankston RSL Sub-branch put on a lovely selection of cakes and sandwiches, tea and coffee - residents just come along and enjoy them. This is a great opportunity for residents to get to know one another better and also to find out more about the services available to them through the RSL sub-branch.

Big thanks to Kevin and Carol from Frankston RSL for facilitating this for Vasey RSL Care ESA residents.

ESA & SouthEast Housing Co-op Partnership

Our Ex-Service Accommodation Team is now working with the SouthEast Housing Co-operative to build a partnership that benefits veterans and their families.

The South East Housing Co-operative is an organisation that works to provide community housing for low-income families: their mission is 'to provide affordable, secure, financially, and environmentally sustainable housing for people on low incomes who are committed to cooperative democracy and engagement'.

Rental Housing Co-operatives began in the 1980s as an alternative to public housing. Tenants of their long-term affordable rental housing are also members of the cooperative.

"There are times when we don't have a vacancy in our accommodation, so partnering with other organisations who have similar goals can be very helpful," says Amanda Smith, Property Manager - Veteran Services.

"The majority of our units are one-bedroom units, with just a smattering of two-bedroom units, whereas SouthEast Housing has larger, two and three-bedroom properties which are suitable for families."

This partnership is working well with referrals going in both directions.

"This is already working to support our community and provide additional options for veterans and their families," says Amanda. "We look forward to continuing to strengthen ties with SouthEast Housing Co-op."

Cheltenham ESA: Resident Support Team

A group of residents at Vasey RSL Care Cheltenham Ex-Service Accommodation (ESA) provide a greatly-valued service, helping out new residents with white goods and furniture when needed.

New ESA residents come to us from a whole variety of situations and circumstances. While some move from their old home and have everything they need, others have faced circumstances that have left them without the basic necessities.

The team at our Cheltenham ESA, led by Alan Murphy, has a great system of recycling good quality second hand items to help them out.

"If a resident leaves and has things they no longer need, or if someone upgrades their couch for example, the pre-loved items goes into storage," says Amanda Smith, Property Manager - Veteran Services.

"Everything has to be in good condition, though," she adds. "And we always ensure new bed linen, towels etc are provided if needed."

Alan and the team help new residents feel welcomed and supported.

"This is a great service these guys are doing," says Chris Gray, Executive General Manager - Veteran Services.

"They are always there to help new residents settle in: some of them have experienced similar circumstances, so they have a lot of empathy and this is exactly what new residents often need - a friendly face, someone who has 'walked in their shoes!'"

The support is not limited to Cheltenham though: if residents at another of our ex-service accommodation sites need the same help, the team heads over with whatever is needed.

"I just want to acknowledge the great job they do," says Chris. "They have developed this brilliant service themselves. It's camaraderie in action."

PICTURED: ALAN (R), DAVE (REAR) WITH EGM - RESIDENTIAL SERVICES, CORINNE LYON, WITH FREDDIE.

A Lead-Light Window with Meaning

Resident at Vasey RSL Care Cheltenham Ex-Service Accommodation, Rob Pride, recently donated this beautiful lead-light window which he had made, which is now displayed in the Community Hall.

Rob used to have a property with horses and has a soft spot for them. He came across the AB Banjo Paterson poem, 'The Last Parade', written through the eyes of a war horse at the end of the war. It is inscribed onto the red glass and goes with the image of the soldier saying goodbye to his horse. For the full story, check out vaseyrslcare.org.au.

Love Lives On at Vasey RSL Care

Each of our aged care homes held an event to celebrate love on Valentine's Day. Those following our FaceBook page will have enjoyed the beautiful photos - but we wanted to share this one with everyone...

At Vasey RSL Care Bundoora, in a romantic restaurant complete with red roses, champagne and a violin playing, residents enjoyed a very special Valentine's Dinner. Afterwards, they were given the opportunity to share how they met. This was lovely and at times funny, especially as one couple told us they met at Kmart and Maurice told us, "June was on special". A wonderful time was had by all.

St Mark's Chapel Celebrates 175 Years

Parishioners from Ormond Anglican Church joined residents and staff from Vasey RSL Care Brighton East at a special service at St Mark's Chapel to celebrate 175 years of continued spiritual connections.

Locals spoke of their long association with the church, sharing stories about their rich combined history.

Situated in the grounds of Vasey RSL Care Brighton East, St Marks continues to serve its community by offering pastoral care and a communion service each Wednesday where Bill, Harold, Shirley, Pat and Ben are regulars. Vasey

RSL Care presented the church with a floral tribute to mark the occasion.

Thank you to volunteers Deborah, Kath and Alan, assisting Rev Greg Allinson.

Funding Received for Veteran Programs

Funding for V Centre Vehicles

A grant submission to the Department of Veterans' Affairs Veteran Wellbeing Grants for over \$140,000 to purchase vehicles for the V Centre Veteran Empowerment Program has been successful.

FROM LEFT:
MICHAEL
(TOYOTA),
CHRIS GRAY
(EGM VETERAN
SERVICES), JANNA
VOLOSHIN (CEO),
KATE THWAITES
MP, DAMON,
BRAD AND RIC
(TOYOTA).

The funding will be used to purchase a utility vehicle and minibus for the Veteran Empowerment Program, enabling the Program to be expanded to include therapeutic, outdoor, vocational and community engagement activities.

On 15 January, we were honoured to welcome Federal Member for Jagajaga, Kate Thwaites MP, to the

One Year On

At the official opening of the V Centre, our special guests, Federal Member for Jagajaga, Kate Thwaites MP and Victorian Minister for Veterans, Natalie Suleyman MP, joined Board Chair, Mike O'Meara OAM and CEO, Janna Voloshin in planting rosemary seedlings, a symbol of remembrance of all who serve.

We are pleased to report that, with the V Centre

participants keeping an eye on them and moving them into bigger pots, they are doing very well.

V Centre. Kate has been a long-term advocate for the V Centre and we greatly appreciate her ongoing support. She took the opportunity to chat with some of the V Centre participants about the possibilities the vehicles will open up to them. We also welcomed Ric and Michael from Toyota, long-term Vasey RSL Care suppliers and supporters.

Funding for Program Activities

A second submission to the ANZAC Day Proceeds Fund was also successful, with \$100,000 granted to cover costs for wellbeing activities for ex-service community members both in residential aged care and in the Veteran Empowerment Program. This will cover outdoor equipment and participation in outdoor therapy programs and extending residential lifestyle program equipment to all aged care homes.

Funding for Memorial at Vasey RSL Care Brighton East

Lastly, a submission for \$30,000 towards a Memorial at Vasey RSL Care Brighton East through the Victoria Remembers Grants was successful and we look forward to bringing you updates on this project.

Next Top (Vasey) Model?

We are organising to have new photos of all our services – residential aged care, home care, ex-service accommodation and the V Centre: would you like to be one of our photo models?

At Vasey RSL Care, wherever possible, our publications feature photos of real people – our residents, staff, clients, volunteers, participants. We only use purchased (stock) images where we don't have anything suitable. With a logo change and an update to our staff uniforms. It's time to get the camera out again.

Call for Models: we are looking for:

- **Residential Aged Care:** 4 residents and 4 residential staff at each site
- **Home Care:** 3 clients willing to have their home and themselves featured, and 3 home care staff
- **ESA:** 2 residents at each site, a couple or two singles

Email communications@vaseyrslcare.org.au to express your interest. Please be aware that not everyone will be chosen as we must ensure diversity of gender and other characteristics.

A lovely smile is one of the most important criteria!

Recipes & Stories: Serving History With Love

Judy's Dad's Cornish Pasties – the Falcke Family

Our commemorative Recipe Book features a wide variety of recipes that have special meaning to the person or family who shared them - but it is the personal story behind each recipe that opens a window into their lives.

Our Bundoora resident, Dorothy and her daughter Judy, gave us the recipe for their family Cornish pasties - as made by Dorothy's husband/Judy's dad.

Growing up, his family had owned the local deli in Thornbury and he learned all he knew about food there.

fired their guns in the general direction. Things went quiet and when they investigated, they found they'd shot a wild boar. They lived it up on roast pork for days.

It wasn't roast pork that Judy and Dorothy shared though - it was 'Dad's Cornish Pasties'.

Pictured here is a sample of the family favourite which can be found in 'Serving History With Love - a Vasey RSL Culinary Journey'.

Serving in Papua New Guinea and Borneo from 1941 to 45, he and the other soldiers lived on bully beef - which they came to hate. But there was one occasion when the menu changed. Lost in the Borneo jungle while on guard duty, he and his mate thought they heard Japanese footsteps and

Vale Dorothy

We send our condolences to Judy and the whole family - Dorothy passed away late last year. We are very honoured to keep her memory alive through her contribution to this Recipe Book.

Serving History With Love: A Vasey RSL Culinary Journey

Priced at \$50, all profits go to support the veterans participating in the V Centre Veteran Empowerment Program.

Purchase online, or at any of our aged care homes, Central Office or the V Centre (saving postage!).

Leave a Gift in Your Will

A gift in your Will is one of the most inspiring ways to leave your own legacy to ensure that those who have served and future veterans will receive the support, care and opportunities they deserve.

A gift in a Will, also known as a bequest or legacy, is a donation to charity given through a Will or other estate planning. It is a wonderful way to create a lasting impact to the men and women who have served to keep us safe.

With your support, we can work to ensure that every veteran lives with independence, control and dignity, feeling safe, valued and respected

Please contact us for more details: Kylie Dick, Sponsorship & Fundraising Officer:

Become a Regular Donor for Just \$1 a Day

“If it wasn’t for the V Centre I would be on the street and not allowed to see my son.”

Brad (pictured)

A place to live is a human right.

Sadly, veterans are nearly three times more likely to be homeless than the general population. Everyone should have a safe home – especially these men and women who have served our country.

Brad got in touch with the V Centre and went from living rough in a country town, to having a safe place to live and the wraparound support he needed.

The V Centre Veteran Empowerment Program has just marked its first year of operation: during that time, it has been home to 31 veterans. Some have come, got the support they needed, and moved on. For others, it takes time to work through entrenched issues. All are benefiting from this unique program.

We continue to advocate for government funding to help us run the Program for three years, while we build alternative revenue streams for its future.

Until then, we need your help.

Individual Donors

For just \$1 a day (\$30 a month) you can help ensure regular income to support V Centre participants.

Please follow the QR code to donate today:

Organisations: Sponsor-A-Room

Providing the Veteran Empowerment Program costs \$78,000 per veteran per year.

Your organisation can ‘Sponsor-A-Room’ for 1 month, 3 months, 6 months or a full year.

Please give us a call for more details: Kylie Dick, Sponsorship & Fundraising Officer, 03 9810 5592.

Your Empty Bottles can help Vasey RSL Care

Vasey RSL Care is a ‘Donation Partner’ for Victoria’s ‘Container Deposit Scheme’ (CDS), the Victorian Government’s can and bottle recycling initiative offering 10c per item.

If you’d like your empty bottles and cans to support the work of our organisation, here’s how:

1. Collect your bottles and cans – check they have the 10c mark on them.
2. Find your nearest drop off point at: cdsvic.org.au/
3. Choose Vasey RSL Care as the Donation Partner

Thank you for helping the environment AND veterans.
