

Support at Home: Home Care Package Program

As we age, at some point we may begin to find certain tasks a struggle, or health issues may limit our ability to do everything we used to.

The 'Home Care Package Program' is government-funded flexible support for eligible people who are 65 or over: it provides funding to cover the assistance you need for the tasks you are finding difficult.

- ✓ This helps make your life easier and more enjoyable while maintaining your independence.
- ✓ With support in place, you can stay in your own home and remain connected to your community and the people and places that matter most to you.

Vasey RSL Care has a long and proud tradition of supporting those who have served in the Australian and allied forces and those who have lost their spouse through service.

Vasey RSL Care also offers:

- ✿ Residential Aged Care for everyone
- ✿ Veterans' Home Care
- ✿ Affordable Rental Housing for Veterans
- ✿ The V Centre Veteran Empowerment Program
