Vasey RSL Care Brighton is situated in the lovely Kamesburgh Gardens in Brighton and is less than a kilometre from the bay. An ancient Moreton Bay Fig is central to the home, giving shade to the gardens and creating a perfect setting for families and residents to enjoy visits with loved ones.

Vasey RSL Care Brighton is part of the Vasey RSL Care organisation, which has a tradition of supporting veterans and war widows as well as other senior Australians. We also have homes at Brighton East, Bundoora, Frankston South and Ivanhoe.

Vasey RSL Care Brighton is recognised by the Australian Aged Care Quality Agency (AACQA) and is the winner of five Better Practice Awards for the lifestyle activity program. The lifestyle team discovers what is important to each resident to ensure that they have ongoing meaning and purpose in their lives in their new home. Residents are involved in shaping the program, which offers lots of variety indoors, outdoors and further afield.
