Vasey RSL Care supports the accommodation needs of the ex-service community with nearly 300 studio, 1-bedroom and 2-bedroom rental units at seven locations.

Affordable

The units are offered at rents that are substantially lower than comparable private rentals in the same areas, and offer greater security of tenure.

The units are well maintained, with Vasey RSL Care taking care of building maintenance and looking after shared areas.

Community Environment

Tenants are as independent or social as they like: they have a mutual respect for each other's contribution to Australia's protection and this forms the basis for

camaraderie, support and a respect for traditional values. Our larger villages have a community hall which provides a good location for communal activities.

Eligibility

Units are open to people **of any age** who are:

- Those who have served in the Australian or Allied Forces, or
- Spouses, widows or widowers of ADF/Allied Forces members

Note: priority is given to those in greatest need.
